What is Blue Courage?

Blue Courage is a transformational process that focuses on the human development of law enforcement professionals.

Few professions are more physically, mentally, and emotionally demanding than law enforcement. Blue Courage addresses personal challenges many officers face, such as cynicism, identity, judgment, integrity, leadership and stress management.

What Blue Courage Has to Offer

Today's law enforcement professionals are highly trained and highly skilled operationally. While skill training is essential, it is incomplete. The behaviors that tarnish police agencies and place officers at risk are rarely due to a lack of skills.

Through Blue Courage, participants will:

- Go beyond learning tactical and critical incident survival and ensure officers' readiness to both prevent and recover in the aftermath.
